

Morning drop off zone. Please you ensure you stop before the zig-zag lines so families crossing the road have a clear line of sight.

One way system to be used in the morning. Please do not take a short cut along the path. Instead follow the route across the playground and out the car park gate.

Do not wait in the area around the school gates. If you come to school you must wait on the playground.

Afternoon only short cut to access playground

Please wait for your child on any part of the playground but avoid standing close to the one-way system markings. You may not wait in the car park or on the path. Please be patient as you leave the school grounds and maintain social distancing. Please leave by the car park gates rather than the footpath.
